This is card number 1 from the 24 Days of Dog Advent set. Print it, cut it, fold it, and try it with your little dog.

1. Print this page on US Letter, 100% (Actual size), one-sided.
2. Cut along the corner marks.
3. Score the red FOLD BACK line with a ruler edge and a dull tool, then fold the lower half back along the dashed line. Unfold to read the message.

Printing tips: do a test print on plain paper first. For the final print, use matte cardstock, 65 lb or heavier, if your printer can handle thicker paper.

Love it? The full set has 24 cards, one for every day from December 1 to Christmas Eve.
